

LISGAR COLLEGIATE INSTITUTE

DEPARTMENT: Music

COURSE NAME: Grade 11 Music (Strings/Band)

COURSE CODE: AMS 3M AMU 3M

OVERVIEW

This course emphasizes the appreciation, analysis, and performance of various kinds of music, including baroque and classical music, popular music, and Canadian and non-Western music. Students will perform technical exercises and appropriate repertoire, complete detailed creative activities, and analyse and evaluate live and recorded performances. They will continue to increase their understanding of the elements of music while developing their technical and imaginative abilities. Prerequisite: Music, Grade 10, Open

1. Theory. The study of theory involves learning the symbols, concepts, and conventions used in music. By completing the expectations, students will be able to converse and express themselves using appropriate musical terminology.
2. Creation. Creative work involves the practical application of performance skills and knowledge of theory as they relate to the performance medium, as well as composition. Students will play, individually and in ensembles (e.g., using voice, band instruments, and orchestral string instruments). They will improvise, interpret, and compose music.
3. Analysis. Analysis involves listening to live or recorded performances to understand the language of music, its historical and cultural context, and how effectively its composers and performers communicate to their audience. The music analysed will be drawn from a range of cultures.

Skills that continue to be of major importance as students progress from grade to grade are repeated in the expectations for all relevant grades. Progression is indicated by modifications in the expectations or by increasingly complex examples. All skills continue to be developed and refined as students move up through the grades, though they are not necessarily mentioned explicitly in the expectations.

LEARNING SKILLS

The development of sound learning skills is essential to the success of our students. Teachers and students will work together to understand and further the development of student learning skills in the areas of initiative, work habits, organization, team work, and independent work. Teachers report on learning skills on the midterm and final report cards.

ASSESSMENT METHODS

Students will be evaluated through daily playing quizzes, tests, written assignments and oral presentations.

Please refer to the Lisgar Assessment and Evaluation Policy.

ATTENDANCE

If you are absent from class, you are expected to catch up what you missed and complete any relevant homework. When you return to class, you must show your teacher an Absence Verification Form.

If you know in advance that you will be absent for a test, please see your teacher **before** the scheduled test date to arrange an alternate time to write it.

If you are unexpectedly absent for a valid reason on the day of a scheduled test, please let your teacher know why. When you return to class, remember to show an Absence Verification Form from your homeroom teacher and a note from your parents indicating that they are aware you missed the test. An **unjustified absence** for a test may result in a **mark of zero**.

SUPPLEMENTARY NOTES

Students will bring a binder and a pencil to class every day for theory, history and composition. This binder should be solely used for Music class.

For health reasons, students must purchase their own mouthpiece. It is strongly suggested that a mid-entry level mouthpiece be used to allow for musical maturation.

Students are required to practice a minimum of three times per week in order to prepare properly for class, ensembles and to fully integrate on advice given by their instructor.

It is strongly recommended that students participate in at least one Major Orchestra or Band.
